

## **June 03, 2022, Vadodara/Mumbai: Update on Fire Incident, at Nandesari Facility, Gujarat, June 2, 2022**

“Pertaining the fire incident at our Nandesari facility, Gujarat, on June 2, 2022, we would like to reiterate that there have been no casualties as a result of the incident; a total of 7 people received minor injuries and have been administered first-aid treatment. We are taking utmost care of those injured in the incident and they will be discharged soon.

The incident occurred at our warehouse in the Nandesari facility, Gujarat. Our emergency response team, in partnership with the support of local authorities, brought the fire under control within a couple of hours of the incident.

All the properties at the plant are covered in our insurance. The cause of fire is being investigated and the Company is committed to extend assistance to all the relevant authorities investigating into this matter. We expect operations at the Nandesari facility to resume in a phased manner, shortly.”
